## CRIMINAL COMPLAINT BY RELIABLE ELECTRONIC SOURCE

I, the complainant in this case, state that the following is true to the best of my knowledge and belief.

On or about the date(s) of March 18, 2020 in the county of Kanawha in the  
Southern District of West Virginia, the defendant(s) violated:

Code Section

Offense Description

21 U.S.C. § 841(a)(1)

Possession with Intent to Distribute Methamphetamine, a Schedule II controlled substance

This criminal complaint is based on these facts:

On March 18, 2020, officers with MDENT executed a search warrant at 807 North Hills Drive, Charleston, Kanawha County, West Virginia and located approximately 48.85 pounds of suspected methamphetamine in a crawspace. Michael Nelson, one of the residents, took ownership of the suspected methamphetamine. The suspected methamphetamine field tested positive. I know 48.85 pounds of methamphetamine to be consistent with distribution.
